**MOTION FOR EXTENSION OF TIME**  
**TO RESPOND TO MOTIONS IN LIMINE**

This case is currently set for jury selection and trial on July 18, 2023. (Doc 187) The Court's Criminal Trial Management Order contains deadlines geared to that trial date, like requiring the parties to file motions in limine on or before June 20, 2023, and any responses on or before June 27, 2023. (Doc 187-Pg 3) On June 20, 2023, the government filed two motions in limine. (Doc 200, Doc 201)

Undersigned counsel, who has not received or reviewed the discovery in the case, has entered a limited notice of appearance to seek an unopposed continuance of jury selection and trial to a date no earlier than October 9, 2023. That motion asks the Court to set a new Criminal Trial Management Order if it grants the requested continuance. A new Criminal Trial Management Order, with deadlines corresponding with

a continued trial date, would permit undersigned counsel to review the discovery, prepare for trial, and file her own and respond intelligently to the government's motions in limine.

Again, though, any response to the government's motions in limine is currently due June 27, 2023. (Doc 187-Pg 3) If the Court grants the motion for continuance, undersigned counsel requests an extension of time to respond to the government's pending motions in limine until the response time set by the new Criminal Trial Management Order.

Respectfully submitted this 22<sup>nd</sup> day of June, 2023.
